"Helping families put their lives back together, one piece at a time"

ADULT INPATIENT PROGRAM

Rock Prairie has two 18-bed acute adult units focusing on the needs of adults with acute psychiatric disorders including depression, bipolar disorder and psychotic disorders. The Inpatient Program is focused on providing exceptional treatment and support through an inter-disciplinary team approach within a comfortable environment. Rock Prairie is licensed by the State of Texas and is Joint Commissioned Accredited. Rock Prairie accepts most major insurances including Tricare, Medicare, Medicaid and most commercial insurances.
